

Meine lieben „Backstage Stars“,

ich hoffe es geht euch und euren Familien gut! Da wir uns ja im Moment nicht in echt zum Proben treffen können, schicke ich euch hier ein paar Tutorials und Links zu „**Rolling In The Deep**“, mit denen ihr zu Hause das Lied für euch selbst üben und spielen könnt.

Ein paar Hinweise und Tipps dazu:

- Der Original-Song ist in einer anderen Tonart (C-Moll). Wenn ihr zu MP3/Spotify/ Youtube/... spielen oder singen wollt, wird das nicht zusammen passen! Stattdessen probiert mal zu diesem Video zu spielen, das ist in der richtigen Tonart und passt deshalb: <https://www.youtube.com/watch?v=ZRunXo9adTA> (Version in A-Moll)
- Ich habe euch für alle Instrumente Tutorials aufgenommen und Links zusammengestellt. Wenn ihr das Instrument, das ihr normalerweise in der Band spielt nicht zu Hause habt aber stattdessen ein anderes, probiert doch einfach mal das aus oder singt den Song zum Playalong!

Vocals: Der Songtext steht unten.

Rolling in the Deep Songtext

Verse

There's a fire starting in my heart
Reaching a fever pitch and it's bringing me out
the dark
Finally, I can see you crystal clear
Go ahead and sell me out and I'll lay your ship
bare

See how I'll leave with every piece of you
Don't underestimate the things that I will do
There's a fire starting in my heart
Reaching a fever pitch and it's bring me out the
dark

Precorus

The scars of your love remind me of us
They keep me thinking that we almost had it all
The scars of your love, they leave me breathless
I can't help feeling

Chorus

We could have had it all
(You're gonna wish you never had met me)
Rolling in the deep
(Tears are gonna fall, rolling in the deep)
You had my heart inside of your hands
(You're gonna wish you never had met me)
And you played it to the beat
(Tears are gonna fall, rolling in the deep)

Verse

Baby, I have no story to be told
But I've heard one on you and I'm gonna make
your head burn
Think of me in the depths of your despair
Make a home down there as mine sure won't be
shared

Precorus

The scars of your love remind me of us
(You're gonna wish you never had met me)
They keep me thinking that we almost had it all
(Tears are gonna fall, rolling in the deep)
The scars of your love, they leave me breathless
(You're gonna wish you never had met me),
I can't help feeling,
(Tears are gonna fall, rolling in the deep)

Chorus

We could have had it all,
(You're gonna wish you never had met me)
Rolling in the deep
(Tears are gonna fall, rolling in the deep)
You had my heart inside of your hands
(You're gonna wish you never had met me)
And you played it to the beat
(Tears are gonna fall, rolling in the deep)

Bridge

Could have had it all
Rolling in the deep
You had my heart inside of your hands
But you played it with a beating

Verse

Throw your soul through every open door
Count your blessings to find what you look for
Turn my sorrow into treasured gold
You'll pay me back in kind and reap just what
you've sown

Interlude

(You're gonna wish you never had met me)
We could have had it all
(Tears are gonna fall, rolling in the deep)
We could have had it all
(You're gonna wish you never had met me)
It all, it all, it all
(Tears are gonna fall, rolling in the deep)

Chorus

We could have had it all
(You're gonna wish you never had met me)
Rolling in the deep
(Tears are gonna fall, rolling in the deep)
You had my heart inside of your hands
(You're gonna wish you never had met me)
And you played it to the beat
(Tears are gonna fall, rolling in the deep)

We could have had it all
(You're gonna wish you never had met me)
Rolling in the deep
(Tears are gonna fall, rolling in the deep)
You had my heart inside of your hands
(You're gonna wish you never had met me)
But you played it, You played it, You played it,
You played it to the beat.
